

Mobility City Holdings Inc and it's Nationwide Network of over 50 Franchisees Honor Breast Cancer Awareness Month

Diane and Vinny Baratta owners of Mobility City Holdings support all efforts to find a cure for breast cancer.

BOCA RATON, FL, UNITED STATES, October 24, 2024 /EINPresswire.com/ -- [Mobility City](#), along with its dedicated employees and its nationwide network of over fifty-five franchisees, proudly pays tribute to Breast Cancer Awareness Month. This October, Mobility City stands united in the fight against breast cancer, raising awareness and supporting the millions of both women and men affected by this terrible disease.

At Mobility City, we acknowledge the importance of early screening detection, and the continuing research needed in the constant struggle to find a cure once and for all in the fight against breast cancer. Our employees are committed to honoring and remembering those who have lost their battle, those who have survived and we support all efforts that bring us closer to a cure.

In the month of October, we are proud to highlight our corporate and franchisee's websites and social media pages with "Pink" to show our

Mobility City Honors Breast Cancer Month by changing the motiff of their website

In support of Breast Cancer Month, Mobility City has been posting reminders of the importance of testing for breast cancer

solidarity with the fight against breast cancer awareness,

Let's honor those who have been impacted by breast cancer and work toward a future where this horrific disease is a thing of the past.

Key Highlights of Mobility City's Breast Cancer Awareness Campaign:

5,000 Pink Webpages: Mobility City's national network of franchise locations will update 5,000 webpages to reflect the pink theme, including the addition of the iconic pink ribbon symbol, serving as a digital beacon of support throughout October.

Mobility City Holdings, Inc., is the premier provider of mobility equipment sales, repairs, and rentals to mobility impaired persons.

Custom Pink Ribbon Window Cling: Mobility City has designed a special window cling that integrates the pink ribbon into its wheelchair logo. This cling will be visible on the windows of all Mobility City showrooms across the country, as well as on the fleet of technician vans that service customers daily.

Nationwide Visibility: With showrooms and technicians in communities nationwide, Mobility City's pink-themed presence will be seen by thousands of people, spreading awareness and encouraging action in the fight against breast cancer.

"We are dedicated to making a difference not only through our products and services but also through meaningful causes like breast cancer awareness," said Vinny Baratta, co-owner of Mobility City of Boca Raton. "Our goal is to help spread the message of hope and support to our customers and the broader community."

As part of their ongoing commitment to community health and well-being, Mobility City encourages everyone to participate in Breast Cancer Awareness Month by scheduling routine screenings and offering support to those affected by breast cancer.

About Mobility City
