XS.com has introduced a new Copy Trading solution, allowing traders to automatically copy the trades of successful traders. This feature is available on the XS.com platform. The solution is called "Brokeree" (Copy Trading) and is designed to help traders who are looking for a more passive way to trade.

Traders can choose to copy the trades of a specific trader or a group of traders. The solution is available on the XS.com platform. For more information, visit [XS.com](https://XS.com).
