

RAYDIAX Honored at Startup Germany Summit with Prestigious Innovation Award

MAGDEBURG, SAXONY-ANHALT, GERMANY, September 27, 2024 /EINPresswire.com/ -- RAYDIAX GmbH, experts in computed tomography imaging solutions, has been recognized for its groundbreaking work in minimally invasive therapies, receiving an award at the 2024 Startup Germany Summit. The award was presented by Dr. Robert Habeck, Federal Minister for Economic Affairs and Climate Action, acknowledging RAYDIAX as one of 16 startups leading the charge in innovation and impact within the German startup sector.

The Startup Germany Summit, held on September 17th at the bcc Berlin Congress Center, brought together over 900 participants from the startup ecosystem, government, and industry. The event featured discussions on strategic growth, international positioning, and collaborative efforts to strengthen Germany's status as a global startup hub. RAYDIAX's recognition at this high-profile event underscores its role as a key player in the country's thriving innovation landscape.

Winning this award is a testament to RAYDIAX's commitment to advancing image-guided therapy solutions that significantly improve patient outcomes and streamline clinical workflows. Their flagship product, the RAYDIAX TACT therapy assistance CT, combines dedicated imaging solutions with dose optimization and therapeutic focus, setting a new standard for minimally invasive procedures.
