

# Luxe by Takahiro Todoroki Wins Bronze in A' Interior Design Awards

*Takahiro Todoroki's Innovative Lounge Design, Luxe, Receives Bronze A' Design Award in Interior Space and Exhibition Design Category*

COMO, CO, ITALY, September 27, 2024 /EINPresswire.com/ -- The A' Design Award, one of the world's most respected [design competitions](#), has recently announced [Takahiro Todoroki](#)'s innovative lounge design, Luxe, as the winner of the Bronze A' Design Award in the [Interior](#) Space and Exhibition Design category. This prestigious recognition highlights the exceptional creativity and functionality of Todoroki's design within the highly competitive interior design industry.

Luxe's recognition at the A' Interior Design Awards underscores its relevance to current trends and needs within the industry. The design masterfully balances the contrast between the bustling exterior and the serene interior, creating a space that offers a much-needed respite for visitors. This innovative approach aligns with the growing demand for multifunctional spaces that cater to the diverse needs of modern users.

Todoroki's award-winning design stands out for its thoughtful use of materials and lighting to create distinct zones within the lounge. The main floor features steel frameworks with indirect lighting, creating an iconic focal point, while the subfloor incorporates neon lights and artwork to express a sense of playfulness. The strategic placement of colorful floral partitions adds a vibrant touch to the otherwise inorganic space, and the VIP room's beaten metal plates reflect shimmering light, adding depth and texture.

The Bronze A' Design Award for Luxe serves as a testament to Takahiro Todoroki's commitment

Luxe

to pushing the boundaries of interior design. This recognition is expected to inspire future projects within the designer's portfolio, fostering further innovation and exploration of unique design solutions that enhance the user experience while adhering to the highest standards of aesthetics and functionality.
