LIVINGSTON, TX, UNITED STATES, October 7, 2024 /EINPresswire.com/ --

With a commitment to the Livingston community, [Modern Heart and Vascular](#) operates from two locations: 210 W. Park Drive, Suite 104, and 219 Eastwood St, [Livingston, TX](#) 77351. It provides expert cardiovascular services that enhance access to advanced heart care and improve local residents' health.

“Patients First has always been the core of our mission at Modern Heart and Vascular,” stated Dr. Rajiv Agarwal. “Our presence in Livingston allows us to provide high-quality, tailored cardiovascular care to meet the unique needs of this community.”

## Expertise and Comprehensive Care

[Dr. Agarwal](#) is renowned for his comprehensive approach to managing a wide array of cardiovascular conditions, including:

- Hypertension: Managing high blood pressure to prevent severe cardiovascular complications.
- Hyperlipidemia: Addressing elevated cholesterol levels to minimize the risk of heart-related issues.
- Diabetes Management: Offering specialized care to mitigate cardiovascular risks associated with diabetes.
- Heart Valve Disease: Evaluating and treating disorders of the heart valves to improve cardiac function.
- Coronary Artery Disease: Utilizing advanced diagnostic tools to manage arterial blockages and prevent heart attacks.
- Congestive Heart Failure: Implementing effective strategies to enhance heart function and

improve quality of life.

- Pulmonary Hypertension: Providing expert care for high blood pressure in the lungs.
- Heart Palpitations: Assessing and managing irregular heartbeats as symptoms of underlying conditions.
- Cardiac Imaging and Stress Testing: Using advanced techniques to diagnose and monitor heart conditions accurately.

Dr. Agarwal's goal is to seek a cure, not just a long-term treatment plan. He brings an individualized approach to patient care, making each patient feel special as if they are his closest family member. His clinical expertise is top-notch, making Dr. Agarwal the personal cardiologist for many doctors and their family members.

The Livingston facility is equipped with modern amenities designed to ensure patient comfort and convenience. The clinic accepts most major insurance plans, including commercial, Medicare, and Medicare replacement.
