

My Speaking Score Adds Unlimited TOEFL Speaking Tests

My Speaking Score Introduces Unlimited TOEFL Speaking Tests for Enhanced User Experience

FLORENCE, FI, ITALY, September 28, 2024 /EINPresswire.com/ -- My Speaking Score, an AI-powered platform specializing in personalized [TOEFL Speaking](#) preparation, is excited to announce the launch of unlimited TOEFL Speaking tests for all premium users. This new offering empowers test-takers to practice as much as needed, helping them build confidence and improve their scores through real-time feedback and data-driven insights.

The unlimited tests feature allows users to take an unlimited number of TOEFL Speaking practice exams in a self-guided format. Each test is designed to mimic the official TOEFL iBT exam, providing real-world practice under authentic exam conditions. Powered by advanced AI technology, users receive actionable feedback on their performance, enabling them to identify areas for improvement and refine their skills efficiently.

“

With unlimited practice tests, we aim to give our users the freedom and flexibility to practice as much as they need. Our goal is to help every test-taker unlock their full potential.”

John Healy

“We understand that the TOEFL Speaking section can be the most daunting part of the exam,” said [John Healy](#), Founder of My Speaking Score. “With unlimited practice tests, we aim to give our users the freedom and flexibility to practice as much as they need, providing a critical edge

in their preparation. Our goal is to help every test-taker unlock their full potential and achieve the TOEFL score they need to reach their dreams.”

The addition of unlimited tests builds on My Speaking Score’s mission to provide a data-powered, personalized TOEFL prep experience. Users can practice in a stress-free environment,

track their progress, and receive detailed feedback on areas such as fluency, coherence, and response structure.

About My Speaking Score

My Speaking Score is an AI-driven platform that offers personalized TOEFL Speaking preparation. With real-time feedback and data-powered insights, the platform enables users to improve their TOEFL Speaking scores through self-guided practice. The platform's innovative approach allows non-native English speakers to refine their language skills and perform confidently on test day.
