

Michigan Mesothelioma Victims Center Urges the Loved Ones of a Former Construction Worker with Lung Cancer or Mesothelioma in Michigan to Call the Lawyers at the Detroit Based Zamler Shiffman & Karfis-Get Compensated

DETROIT , MI, UNITED STATES, October 2, 2024 /EINPresswire.com/ -- The Michigan Mesothelioma Victims Center is urging the loved ones of a former residential or commercial construction worker who has just been diagnosed with lung cancer or mesothelioma anywhere in Michigan to call the amazing legal team at the Detroit based law firm of Zamler Shiffman & Karfis at 866-714-6466 to discuss financial compensation. The law firm of Zamler Shiffman & Karfis have been assisting people with mesothelioma and asbestos exposure lung cancer for over 45 years. Very, very few law firms in the USA can make a claim like this.

The group says, "Construction workers are still one of the nation's most at risk work groups for developing lung cancer or mesothelioma because especially before the early 1980s they might have had so much exposure to asbestos. We are not just talking about carpenters, plumbers, electricians, or welders, we are also talking about concrete workers, insulators, drywall workers, laborers, roofers, etc. On some jobs a construction worker might have had as much exposure to asbestos as a shipyard worker. For every one construction worker who will later in life develop mesothelioma there are probably four or five who will develop lung cancer.

"If your husband or dad has just been diagnosed with lung cancer or mesothelioma anywhere in Michigan, please call the lawyers at the Detroit based law firm of Zamler Shiffman & Karfis at 866-714-6466. When it comes to asbestos exposure lung cancer and or mesothelioma compensation in Michigan, we strongly recommend Zamler Shiffman & Karfis."
