ZeeZee Adventure Tent - Kickstarter's "Projects We Love"

“

Inclusivity is at the heart of our mission. Inspired by parents and therapists, we are releasing SensoreeZ to the ZeeZee Adventure Tent, ensuring every child can enjoy the benefits of imaginative play”

Out of hundreds of thousands of projects, only a select few receive the prestigious “Projects We Love” badge from Kickstarter—a recognition of ZeeZee’s commitment to fostering creativity, imagination, and joy in children. “We’re thrilled to bring smiles to children around the world,” says Shan J., Co-Founder of ZeeZee Adventures.

**Resounding Feedback from Parents and Educators**

The campaign has sparked a wave of positive feedback from parents who are eager for imaginative play products that offer customization and long-term engagement. Parents and educators alike are loving the concept and the

opportunity to contribute suggestions for new [StickeeZ](#) themes.

“As a parent, the ZeeZee Adventure Tent concept really stands out. We’ve always looked for toys

that allow our kids to create their own world and immerse themselves in hours of imaginative play." – Parent of Young Children

"We've received incredible feedback from parents and educators, particularly about our StickeeZ themes. They are enthusiastic about wanting even more options and have already shared a wealth of ideas and suggestions for new themes," says Shan J. "We are actively listening to our community, and in response, we are excited to announce that we will soon be launching additional StickeeZ themes for our backers!"

#### Introducing "SensoreeZ": A Special Theme for Sensory Play

In addition to the new StickeeZ themes, ZeeZee Adventures is introducing "SensoreeZ", an assortment of sensory texture mats designed with sensory play in mind. Based on feedback from parents and occupational therapists, SensoreeZ features sensory pads and textures that encourage sensory engagement for children with neurodivergent needs like autism and ADHD.

#### Gratitude for The Kickstarter Community

ZeeZee Adventures wouldn't be where it is today without the support of its incredible backers. "We want to thank our backers, friends, and family for believing in this vision.
