

Blue Shield of California Has Gone Premium: Los Angeles Outpatient Center Joins Provider Network Expanding Access in LA

Together, Los Angeles Outpatient Center (LAOP) and Blue Shield of California Are Expanding Access to Quality, Personalized Mental Health Care in Los Angeles

LOS ANGELES, CA, UNITED STATES,
September 30, 2024 /

EINPresswire.com/ -- The [Los Angeles Outpatient Center \(LAOP\)](#), a leader in best-in-class, high-quality, comprehensive behavioral and mental health care, is proud to announce in-network provider status with Blue Shield of California. This important partnership will expand access to LAOP's uniquely personalized mental health services for Blue Shield of California members and employers across Los Angeles, CA. The in-network provider status means that members will have reduced out-of-pocket costs, making high-quality mental health services more affordable and accessible.

LAOP strives to fill a critical gap in behavioral and mental health services in the Greater Los Angeles area by offering tailored treatment options that allow individuals to heal, grow, and thrive while maintaining their daily lives. With this new relationship, Blue Shield of California members will have access to LAOP's integrative approach using traditional and experiential therapies, through the most appropriate level of care ranging from full-day Partial Hospitalization Program (PHP) to half-day Intensive Outpatient Program (IOP), offering flexibility during treatment while balancing other responsibilities. Members will also have access to additional services which include transportation, free parking, psychiatric care, and catered meals and refreshments.

CENTER**

“At LAOP, we believe in a holistic, multi-faceted approach to mental health treatment that recognizes and addresses the unique needs of every client,” said Dominique Hamler, Executive Director of the Los Angeles Outpatient Center. “Being in-network with Blue Shield of California allows us to provide high-quality, evidence-based care to more individuals. Together, we’re working to destigmatize mental illness and create a safe space for healing.”

Los Angeles Outpatient Center

Employers offering Blue Shield of California plans will also benefit from this new partnership by offering their

employees access to LAOP’s trusted mental health services treating depression, anxiety, OCD, PTSD and trauma-related disorders, among others, potentially improving overall well-being and productivity in the workplace.

“

Being in-network with Blue Shield of California allows LAOP to provide high-quality, evidence-based mental health care to more individuals in the Los Angeles area.”

Dominique Hamler, Executive Director, Los Angeles Outpatient Center

LAOP is dedicated to delivering personalized, evidence-based treatment in a supportive, inclusive environment.
