EINPresswire.com/ -- [The Futurist Institute](#) and [Prestige Economics](#) are pleased to announce that [Jason Schenker](#), a leading global economist, futurist, and bestselling author, delivered a keynote address at the PRGXchange event on September 23, 2024, in Las Vegas.

Mr. Schenker's presentation for the PRGXchange event "Shaping Winning Strategies in the A.I.

“

It was an honor to speak to the dedicated group of finance and procurement professionals at PRGXchange 2024.”

*Jason Schenker, President of  
Prestige Economics*

Era: How Finance and Procurement Leaders Stay Ahead” was tailored for finance and procurement leaders navigating the future of artificial intelligence and its impact on business operations.

With his deep expertise in finance, supply chain, and artificial intelligence, Mr. Schenker was selected to deliver the opening keynote. His high-energy and insightful talk, titled “Economic and Financial Outlook: Rethinking Possibilities and Seizing Opportunities,” explored key

trends shaping the future of business and economics. This talk included original economic and financial market research from Prestige Economics along with A.I., technology, and trends research from The Futurist Institute.

PRGX, a pioneer in profit recovery for nearly five decades and a global leader in source-to-pay data intelligence and margin expansion, empowers clients in over 30 countries to recover \$2

billion in annual cash flow. PRGX's innovative approach helps unlock value and strengthen the financial health of organizations worldwide.

Reflecting on his keynote, Mr. Schenker shared, "I discussed the critical future trends that will shape the coming years, including opportunities in A.I., economic and financial trends, geopolitical risks, political challenges, and other relevant topics for these leading executives."

Mr. Schenker's address centered on five key themes:

- Artificial Intelligence Opportunities
- Cold War Two® Geopolitical and Supply Chain Risks
- Economic Outlook, Global Growth, and Manufacturing
- The U.S. Labor Market and the Health of the U.S. Consumer
- U.S. Election Uncertainty and Risks

Mr. Schenker provided actionable insights, emphasizing the importance of leveraging A.I. technologies, derisking supply chains, ensuring fiscal discipline, conducting spend analysis, and implementing cost leadership initiatives.

An executive with PRGX, Pattie Q. Pan, remarked, "Jason Schenker's comprehensive outlook on the global economy, geopolitical risks, the health of U.S. consumers, and the 2024 U.S. election provided our attendees with invaluable insights to stay ahead in their fields." She added, "Jason Schenker's energetic, engaging, and insightful communication style captivated our audience and left a lasting impression."

Following the event, Mr. Schenker expressed his appreciation: "It was an honor to speak to such a dedicated group of finance and procurement professionals."
