Who Are the Leading Competitors in the Waterborne Polyurethane Market Share?

Key players in the market include Covestro AG, Koninklijke DSM NV, BASF SE, Allnex Belgium SA, Dow Inc., H.B. Fuller Company, Wanhua Chemical Group Co. Ltd., SNP Inc., Kamsons Chemicals Pvt. Ltd., Axalta Coating Systems Ltd., The Sherwin-Williams Company, Perstorp AB, C.L. Hawthaway & Son Corporation, Lamberti S.p.A., Sun Polymers International Inc., R. STAHL GmbH, Chemtura Corporation, Lanxess AG, Lubrizol Corporation, Bayer MaterialScience AG, PPG Industries Inc., Capital Resin Corporation, Walter Wurdack Inc., Palmer Holland Inc., SIWO US Inc., Brilliant Group Inc., Aditya Birla Chemicals Ltd., Hawthaway Corporation, Henkel AG & Co. KGaA, Huntsman Corporation, Nippon Polyurethane Industry Co. Ltd.

Which Key Trends Are Driving Waterborne Polyurethane Market Growth?

Major companies operating in the market are focused on plant expansions to sustain the position in the market. New plant expansions will support in expanding the product base and also supports for the geographic expansion.

How Is The Global Waterborne Polyurethane Market Segmented?

- 1) By Type: Polyurethane Emulsion, Polyurethane Dispersion, Polyurethane Aqueous Solution
- 2) By Application: Coating, Sealant, Adhesive, Elastomer
- 3) By End-use industry: Building and construction, Automotive and transportation, Bedding and furniture, Electronics, Other End Users

Geographical Insights: North America Leading The Waterborne Polyurethane Market
Asia-Pacific was the largest region in the market in 2023. The regions covered in the report are Asia-Pacific, Western Europe, Eastern Europe, North America, South America, Middle East, Africa.

Waterborne Polyurethane Market Definition

Waterborne polyurethane refers to a polyurethane polymer resin that can be dispersed in water. It has good adherence to numerous surfaces, including glass and polymeric fibers, and can be formed into coatings and adhesives.

[Waterborne Polyurethane Global Market Report 2024](#) from TBRC covers the following information:

- Market size data for the forecast period: Historical and Future
- Macroeconomic factors affecting the market in the short and long run
- Analysis of the macro and micro economic factors that have affected the market in the past five years
- Market analysis by region: Asia-Pacific, China, Western Europe, Eastern Europe, North America, USA, South America, Middle East and Africa.
- Market analysis by countries: Australia, Brazil, China, France, Germany, India, Indonesia, Japan, Russia, South Korea, UK, USA.

An overview of the global waterborne polyurethane market report covering trends, opportunities, strategies, and more

The Waterborne Polyurethane Global Market Report 2024 by [The Business Research Company](#) is the most comprehensive report that provides insights on waterborne polyurethane market size, waterborne polyurethane market drivers and trends, waterborne polyurethane market major players and waterborne polyurethane market growth across geographies. This report helps you gain in-depth insights into opportunities and strategies. Companies can leverage the data in the report and tap into segments with the highest growth potential.

What Does The Business Research Company Do?

The Business Research Company publishes over 15,000 reports across 27 industries and 60+ geographies. Our research is powered by 1,500,000 datasets, extensive secondary research, and exclusive insights from interviews with industry leaders. We provide continuous and custom research services, offering a range of specialized packages tailored to your needs, including Market Entry Research Package, Competitor Tracking Package, Supplier & Distributor Package, and much more.

Our flagship product, the Global Market Model, is a premier market intelligence platform delivering comprehensive and updated forecasts to support informed decision-making.
