

Notoginseng by Zhaocheng He Wins Bronze in A' Packaging Design Awards

Innovative Notoginseng Packaging Design Recognized for Excellence in A' Design Awards

COMO, CO, ITALY, September 30, 2024 /EINPresswire.com/ -- The A' [Design Award](#), a highly respected and well-recognized award in the field of [packaging design](#), has announced [Zhaocheng He](#)'s innovative work, "Notoginseng," as the Bronze winner in the Packaging Design category. This prestigious recognition highlights the significance of the Notoginseng packaging design within the packaging industry and design community.

The Notoginseng packaging design aligns with current trends in the industry, which emphasize the importance of sustainability, aesthetics, and cultural relevance. By incorporating these elements, the design offers practical benefits for users and stakeholders, demonstrating its utility and innovation in the field of packaging design.

The Notoginseng packaging stands out in the market through its unique combination of dots that form a mountain shape, reflecting the growth environment of Panax notoginseng powder while expressing its powdery form. The design breaks traditional perceptions in the industry by utilizing black and blue colors, creating a packaging that exudes fashion and quality. The inner box packaging is arranged to form a landscape painting, evoking an Eastern artistic conception.

This recognition from the A' Packaging Design Awards serves as motivation for Zhaocheng He and the MidaBrand team to continue striving for excellence and innovation in their future projects. The award inspires the exploration of new design possibilities and fosters further

advancement in the field of packaging design.

The company offers a range of services, including brand design, package design, cultural and creative design, and album and magazine design, to help clients enhance their brand presence and appeal.

About Bronze A' Design Award

The Bronze A' Design Award recognizes designs that demonstrate a notable level of creativity and practicality in the Packaging Design category. The award acknowledges the skill and dedication of designers who create works that stand out for their thoughtful development, innovative use of materials and technology, and potential to positively influence industry standards. Winning designs are selected based on criteria such as innovation, sustainability, functional efficiency, aesthetic appeal, user convenience, brand identity reflection, and technical excellence.

About A' Design Award

The A' Packaging Design Award is a prestigious international competition that recognizes outstanding packaging designs from innovative designers, agencies, manufacturers, and brands. Through a rigorous blind peer-review process, entries are evaluated by an expert jury panel based on pre-established criteria. The award aims to showcase creativity, promote global recognition, and contribute to the advancement of the packaging industry. By participating, entrants have the opportunity to gain international acknowledgment and elevate their status within this competitive field. Ultimately, the A' Design Award seeks to make the world a better place by celebrating and inspiring superior products and projects that benefit society.
