EINPresswire.com/ -- On September 30, [Andrew Wommack Ministries](#) will launch Gospel Truth Network (GTN) on multiple platforms, including GTNTV.com, iOS and Android apps, Apple TV, Roku, and Glorystar Satellite channel #103.

“We are stepping into a new level of ministry that we’ve never experienced before,” stated Andrew Wommack, founder of Andrew Wommack Ministries.

“We’ve created over four hundred hours of new, never-before-seen programming, all written, produced, and performed by our amazing team. This network will allow us to reach millions with five times the content we’ve been able to produce before,” Wommack continued. “The best part, though, is that this is a place where the Gospel can be shared freely, without compromise.”

We are stepping into a new level of ministry that we’ve never experienced before.”
