“

Winning these awards is an incredible honor. At Arete, I've had the privilege of collaborating across departments to enhance our approach to managing data breaches in a rapidly evolving landscape.”

Jenna Rooney, Director of Client Services

announce that Jenna Rooney, Director of Client Services, was named the winner of two prestigious Innovation Awards at the 2024 Relativity Fest. Jenna received awards in both the Security and Customer Experience categories, recognizing her exceptional leadership and innovative contributions to the eDiscovery and cybersecurity industries.

Relativity's Innovation Awards celebrate change-makers in technology who build custom solutions, empower their teams, and forge new paths to improve the legal industry and its communities. Jenna's accomplishments in these fields exemplify these ideals, as her work continues to set

new standards for excellence.

With over a decade of expertise, Jenna has pioneered eDiscovery offerings, guided complex data management strategies, and led large-scale client engagements with precision and innovation. As Director of Client Services at Arete, Jenna leads a team handling all aspects of data breach matters, specializing in emerging technologies and methodologies. Her commitment to excellence, demonstrated through multiple industry awards and community contributions, sets her apart as a visionary in the field.□

“Winning these awards is an incredible honor,” said Jenna. “At Arete, I've had the privilege of collaborating across departments to enhance our approach to managing data breaches in a rapidly evolving landscape. I'm proud to work with such a dedicated team, and these awards reflect our shared commitment to client service and cybersecurity excellence.”

The Relativity Fest Innovation Awards celebrate individuals and solutions that make a significant

impact in the e-discovery community. The awards were announced at Relativity Fest 2024, held from September 25 to 27 in Chicago. Relativity Fest is an annual event where legal and tech professionals gather to learn, connect, and discuss emerging trends in the industry.
