

Northern Virginia Healthcare Construction Project Wins ABC Excellence Award for Inova Lorton Bariatric Clinic

CHANTILLY, VA, UNITED STATES, September 30, 2024 / EINPresswire.com/ -- Scott-Long Construction, a leader in the development and construction industry since 1961, was awarded the Excellence in Construction Award from Associated Builders and Contractors (ABC) for its renovations at the Inova Lorton Healthplex Bariatric Clinic in Lorton, Virginia.

The bariatric clinic is the latest in a number of projects dating back to 1989 in which Scott-Long Construction has collaborated with non-profit medical group Inova Health. Scott-Long's projects have been awarded with the Excellence in Construction Award over eighty times dating back to 2005.

Virginia Commercial Construction ABC Award Winner: Inova Bariatric Center

“

I am honored to be recognized once again by the ABC for our dedication to excellent work, and I'm proud of our entire team for their commitment to excellence.”

John Scott, CEO of Scott-Long Construction

“The completion of this project demonstrates our ability to build strong relationships and deliver exceptional work in the healthcare field,” said John Scott, CEO of Scott-Long Construction. “I am honored to be recognized once again by the ABC for our dedication to excellent work, and I'm proud of our entire team for their commitment to excellence.”

The [North Virginia commercial contractors](#) at the Lorton Healthplex Bariatric Clinic completed renovations that included plumbing, electrical upgrades, and facility expansions to ensure that the clinic provides a warm and

welcoming environment for new and existing patients.

The Excellence in Construction Award from ABC honors the nation's most innovative and high-quality [North Virginia commercial construction](#) projects, along with world-class safety, inclusion, diversity, and merit programs.
