LLCP acquired a majority stake in Expert Institute, marking a new chapter of growth and innovation for the company.

As more law firms consolidate and adopt sophisticated tools, the demand for expert witness sourcing and legal intelligence solutions has skyrocketed.

Expert Institute's recent growth has been marked by the expansion of its proprietary platform, Expert iQ, which integrates AI-driven research, expert management capabilities, and a robust

network of specialists. With over 5,000 law firm partners nationwide, the company has set the standard for expert witness services and intelligence, helping attorneys access the expertise they need to succeed in an increasingly competitive field.
