

Ourian Plastic Surgery Announces New Content on Mommy Makeover and Post-pregnancy Recovery

Ourian Plastic Surgery is proud to announce new blog content for mommy makeover options in Beverly Hills.

BEVERLY HILLS, CA, UNITED STATES, October 2, 2024 /EINPresswire.com/ -- Ourian [Plastic Surgery](#), a top-rated surgery office in Beverly Hills, is proud to announce new blog content for mommy makeovers with a focus on in-depth information on achieving one's pre-pregnancy body.

“

There isn't one way to be a mother. And there isn't one way to approach cosmetic surgery to improve one's appearance.”

Ariel Ourian

"There isn't one way to be a mother. And there isn't one way to approach cosmetic surgery to improve one's appearance," stated Dr. Ariel Ourian, a double-board certified plastic surgeon. "Our mommy makeovers provide

a menu of services and surgical options to help individual women find the right direction for them. Our Beverly Hills location makes them reachable to women all over the Los Angeles basin."

Interested persons can review the new blog post on mommy makeover cosmetic surgery options at <https://www.ourianplasticsurgery.com/being-a-new-parent-is-a-joy-but-your-body-might-feel-differently/>. Ourian Plastic Surgery provides cosmetic solutions for men and women living around the Los Angeles basin. Mothers ready to consider surgical options for sagging breasts and stretch marks can contact Dr. Ourian's office. "Mommy makeover" procedures are designed to address the physical consequences of natural childbirth. Dr. Ourian provides a list of procedures to help renew and revive a woman's body and confidence. Surgical options include: breast augmentation, breast lift, [tummy tuck](#), brazilian butt lift, and [liposuction](#). Several available treatments are non-invasive and can have a short recovery time.

Other procedures include C-section scar revision, breast reductions, breast lifts and vaginal rejuvenation.

New mothers in Los Angeles might enjoy the responsibilities of motherhood yet be concerned about the toll the pregnancy took on their bodies. Changes after birth can include weight gain, sagging breasts and visual stretch marks. If a woman decides to find solutions to these issues, a

"mommy makeover" could be the answer to "getting her pre-pregnancy body back." A selection of cosmetic procedures focused on specific parts of a woman's body could achieve the right appearance for individual mothers.

Men and women can contact the Beverly Hills clinic for a consultation with Dr. Ariel Ourian. Ourian Plastic Surgery supports the communities of West Los Angeles, Beverly Hills, Santa Monica, Pacific Palisades, Malibu, and Marina del Rey. Residents of Encino, Pasadena, Glendale, Manhattan Beach, and Palos Verdes Estates can also contact the office to review individual cosmetic solutions.

Los Angeles locals can review more details about mommy makeovers at the microsite via <https://mommymakeover360la.com/>. Indeed, persons - both male and female- who are interested in exploring cosmetic procedures such as liposuction (<https://www.ourianplasticsurgery.com/procedures/body-procedures/liposuction/>) are encouraged to visit the website, and reach out for a confidential consultation. No two bodies are alike, but the prowess of today's modern surgical technologies mean that many improvements are now achievable.
