Conversations on innovation in construction and real estate towards Saudi Vision 2030

BIZ DEV CON KSA

Saudi Vision 2030 is probably the most ambitious \$1.3 trillion construction and real estate project in human history that is turning Saudi Arabia into the world's fastest growing construction market, but it's missing a virtual community where people from around the world can meet to share ideas and inspiration to accelerate this vision.

59 SAUDI VISION 2030 PROJECTS

\$1.3 TRILLION

Wherever you are in the world, if you are inspired by Saudi Vision 2030 and you work in construction, real estate, government, law, architecture, engineering, project management, consulting or startups, and your role is in business development, innovation, partnerships, strategy, project development, marketing, public relations or technology, BizDevConKSA is for you.

BizDevConKSA Virtual Innovation Event on October 19

“Saudi Vision 2030 is probably the most ambitious \$1.3 trillion construction and real estate project in human history that is turning Saudi Arabia into the world's fastest growing construction market, but it's missing a virtual community where people from around the world can meet to share ideas and inspiration to accelerate this vision,” said Isam Saad Sahawneh, Founder, President & CEO of Construction Management Associates. “We are thrilled to create a virtual space where people from around the world can meet and learn more about Saudi Vision 2030,” Sahawneh continued.

“

Wherever you are in the world, if you are inspired by Saudi Vision 2030, BizDevConKSA is for you.”

Isam Saad Sahawneh

BizDevConKSA is a free event that brings together speakers

who focus on innovation towards Saudi Vision 2030 to share their knowledge and insights on how to accelerate this vision and to forge connections with an international audience of people looking to connect more closely with Saudi Vision 2030.

“Wherever you are in the world, if you are inspired by Saudi Vision 2030 and you work in construction, real estate, government, law, architecture, engineering, project management,

consulting or startups, and your role is in business development, innovation, partnerships, strategy, project development, marketing, public relations or technology, BizDevConKSA is for you," Sahawneh concluded.
