

# Tactical Management's Investment Vehicle Acquires Paris Metropolitan University

PARIS, FRANCE, October 1, 2024 /EINPresswire.com/ -- An investment vehicle advised by [Tactical Management](#), a leading global investor specializing in special situations and distressed assets, has successfully acquired [Paris Metropolitan University](#). This acquisition underscores Tactical Management's strategic focus on revitalizing underperforming entities and fostering long-term value creation.

Paris Metropolitan University, an esteemed higher education institution authorized by the Académie de Paris and operating under the jurisdiction of the Ministry of National Education of France, offers a robust online education platform. Recognized under the third category of higher education institutions in France, the University is dedicated to providing world-class education with a strong emphasis on talent development and professional growth.

"Our acquisition of Paris Metropolitan University is a strategic move that aligns with our commitment to transforming underperforming assets into thriving entities," said [Dr. Raphael Nagel](#), Founding Partner at Tactical Management, Hong Kong. "We see tremendous potential in the University's unique online education model and its strong connections with global businesses."

Paris Metropolitan University has built a reputation for its dedication to talent development, working closely with organizations to deliver custom solutions in areas such as development and training, applied research, and talent acquisition. The University has successfully educated participants from around the world, equipping them with the skills and knowledge necessary to
