A Scotch Legacy Handpicked by Jim McEwan
This extraordinary collection has been created by the legendary Jim McEwan, one of the most respected whisky makers in the world. McEwan, renowned for his deep

expertise in whisky maturation and blending, handpicked the best barrels to ensure the quality of this collection. His involvement adds significant prestige to the collection, making it a one-of-a-kind masterpiece for connoisseurs.

Key Highlights of the Collection:

- 710 Years of Whisky Maturation: A rare collection spanning over seven centuries of whisky history, featuring whiskies aged up to 42 years.
- Lost Distilleries: The collection includes rare bottles from closed distilleries such as Dumbarton and Glenugie, elevating the collection's exclusivity.
- Created by Jim McEwan: Each bottle was created by the whisky legend himself, ensuring only the finest barrels were included.

20. North British 1974 - 33 Year Old

A Whisky Collection Like No Other

This collection represents more than just a showcase of fine whiskies; it is a journey through whisky history, spanning multiple decades and closed distilleries. Each bottle offers a unique flavor profile, with some finished in prestigious casks such as Ex-Chateau D'Yquem Barrels and Ex-Fino Sherry Casks, providing an unparalleled depth of character. Whiskies from lost distilleries like Dumbarton and Glenugie create an additional layer of rarity and exclusivity to the collection.

[Anton Goldshtein](#), owner of Glenbotal and the person behind the collection, shared:

"Bringing together these remarkable bottles has truly been a labor of love. It took us several years to complete this collection, with each bottle carrying its own unique story of acquisition. The thrill of hunting down these rare lots has been an incredible experience. The world of whisky is filled with stories, and this journey has been no exception."
