"As journalists, we have a responsibility to provide truthful, balanced, and fair reporting," says Saleeby. "In a world where misinformation can spread faster than ever before, maintaining ethical standards is not just important—it's essential to preserving public trust."

Recent studies by the Pew Research Center reveal that nearly 64% of Americans believe that fake news causes a "great deal" of confusion, making ethical journalism more important than ever. Saleeby emphasizes that upholding accuracy, transparency, and integrity in reporting is crucial to combating this growing issue.

Having worked as a Senior Producer and Head Writer at CNN for 15 years, Saleeby brings a wealth of experience in handling breaking news coverage and crafting engaging, informative narratives. His work has been recognized with prestigious awards, including multiple Peabody Awards and Emmy nominations, which underscore his dedication to excellence.

In addition to advocating for journalistic integrity, Saleeby is passionate about guiding the next

generation of journalists. "My advice to aspiring journalists is to always be curious, never stop learning, and start small," he shares. "It's a tough industry, but if you approach it with passion and a commitment to truth, you can make a real impact."

Rick Saleeby also highlights the importance of adapting to the digital age while maintaining ethical standards. "Digital media offers incredible opportunities to reach wider audiences, but we must use it responsibly," he notes. "We should leverage technology to enhance storytelling while

ensuring that accuracy and truth remain at the core of our work."

As a respected voice in the industry, Saleeby is actively supporting initiatives that promote media literacy and advocate for responsible journalism. "The future of journalism depends on our ability to tell authentic, truthful stories that resonate with audiences."
