

# Momentum Centers Announces Official Opening on October 1, 2024

*New Boutique Residential Treatment Center for Adolescents Offers Comprehensive Mental Health Services*

LAS VEGAS, NV, UNITED STATES, October 2, 2024 /EINPresswire.com/ -- Momentum Centers, a newly established boutique residential treatment center for adolescents, is proud to announce its official opening on October 1, 2024. Located at 10490 W Ann Rd., Las Vegas, NV, 89149, Momentum offers a safe and supportive environment for teens facing various mental health challenges, providing personalized, evidence-based treatment programs tailored to meet their unique needs.

"We are excited to open Momentum Center's doors and bring high-quality, compassionate care to adolescents and their families," said Eli Kreindler, Co-Founder and CEO of Momentum Centers. "Our goal is to help teens recover and develop the skills they need to navigate life's challenges successfully."

Services Offered at Momentum Centers:

- Individual and Group Therapy: Licensed therapists provide one-on-one counseling and group therapy sessions to address a range of mental health concerns, including anxiety, depression, mood disorders, trauma, ADHD, and behavioral issues.
- Family Therapy: Momentum Centers believes in the importance of family involvement and

offers family therapy sessions to help improve communication, resolve conflicts, and support long-term recovery.

- **Holistic Treatment Approaches:** Teens benefit from a variety of therapeutic modalities, including mindfulness training, art therapy, music therapy, and recreational therapy to encourage emotional growth and self-expression.
- **Life Skills Development:** Momentum Centers equips teens with essential life skills to support their reintegration into school, home, and social environments. Skills include emotional regulation, decision-making, and effective communication.
- **Medical Support:** On-site medical professionals ensure that each teen's physical and mental health needs are met, including medication management and wellness monitoring.
- **Covered Transportation:** To ease access to care, Momentum Centers provides transportation to and from the facility, ensuring convenience for families.

Momentum Centers proudly accepts Colorado Medicaid and is in-network with a number of other private insurance providers, making quality mental health care more accessible to a wide range of families.

#### Book a Tour:

Momentum Centers encourages medical professionals, referral sources, and concerned guardians or parents to book a private tour. These tours provide an opportunity to meet the team, explore the state-of-the-art new facility, and learn more about the customized programs available for adolescents.
