## STORY

Sylphy Land, a land of mysterious creatures, exists in a different realm from the human world. It is a fantasy world ruled by the fairy queen, Miruru. One day, however, the evil-spirited Evil took over and transformed the fairies into evil fairies! What caused the Evil to take control of them is a mystery. Can our cute Magical Girls Lime and Mint, and the not too bright fairy, Puffee, drive Evil out of the hearts of the fairies and restore peace to Sylphy Land?
