

RoofersCoffeeShop® announces enhanced and more robust Spanish offerings

Spanish content is now on a dedicated section of the RCS website sponsored by SRS Distribution Para Latinos.

SISTERS, OR, UNITED STATES, October 2, 2024 /EINPresswire.com/ -- RoofersCoffeeShop®, the award-winning place where the industry meets for technology, information and everyday business, has made their Spanish offerings more robust. [This dedicated section of the website](#), sponsored by [SRS Distribution Para Latinos](#), initially launched in 2018 for Spanish-speaking members of the roofing industry to help provide relevant content, build community and highlight Latino roofing professionals.

“We celebrate the Latino market every day on The Coffee Shops and are thrilled to deliver enhanced and dedicated content for the Spanish-speaking members of the industry. It is our goal to deliver information for business and roofing success,” said Heidi J. Ellsworth, president of The Coffee Shops. “We are proud to have SRS Distribution Para Latinos sponsor this section of RCS. They have always believed in the power of sharing relevant content to help the Spanish-speaking community grow.”

“

We celebrate the Latino market every day on The Coffee Shops and are thrilled to deliver enhanced and dedicated content for the Spanish-speaking members of the industry.”

Heidi J. Ellsworth

RoofersCoffeeShop has engaged Spanish-content developers and writers to ensure that content is

consistently published and meets the needs of the Latino roofing community. The enhancement includes a new podcast that will feature discussions about topics that are important to this growing audience. Almuerzo y Aprendizaje is the new educational series that provides educational opportunities in 30-minute on-demand videos that include a discussion guide and a quiz that upon completion will issue a certificate to the individual.

The dedicated Spanish section can be found on RoofersCoffeeShop's top navigation level. It is a great resource to find podcasts, articles, project profiles and much more, all in Spanish.
