

Ampion Group Selected for PropertyCasualty360's 2024 Insurance Luminaries Recognition

Claims innovation recognized for earthquake training and claims litigation strategy initiatives

TAMPA, FL, UNITED STATES, October 2, 2024 /EINPresswire.com/ -- [Ampion Group](https://www.ampiongroup.com/), LLC, a leader in the insurance claims industry, has been named to PropertyCasualty360's Insurance Luminaries Class of 2024 in the category of Claims Innovation. Honorees were selected by a panel of industry experts based on their achievements in the nomination category. The selection criteria focused on impact, dedication to P&C insurance modernization, and adherence to high ethical standards.

Ampion Group Leadership Team

“

When Augustine and I founded Ampion Group in 2019, our vision was to build a culture focused on addressing the issues that matter, while assembling a team capable of delivering meaningful impact.”

Preston Boyles, CEO of Ampion Group

“My colleagues and I are thrilled to recognize organizations, programs, and teams that are setting the pace for the industry,” said Elana Ashanti Jefferson, editor-in-chief of PropertyCasualty360. “This year’s honorees are committed to adapting to challenging conditions created by historic storms, inflation, and litigation trends.”

Building a Culture of Excellence and Innovation
Ampion Group’s co-founders, CEO Preston Boyles and Chief Claims Officer Augustine Solino, credit the company’s achievements to a culture deeply rooted in excellence and innovation.

“When Augustine and I founded Ampion Group in 2019, our vision was to build a culture focused on addressing the issues that matter, while assembling a team capable of delivering meaningful

impact," said Preston Boyles, CEO of Ampion Group. "Over the past five years, we've made significant strides, including the launch of two critical initiatives—our [Earthquake Training](#) to prepare appraisal teams for major catastrophes, and a [Claims Litigation Strategy](#) team that supports carrier legal efforts. These milestones demonstrate our unwavering commitment to advancing claims solutions, which remains at the core of everything we do."

Award-Winning Solutions That Drive Industry Change

"Our focus on innovation is what earned us this recognition," said Solino. "The Earthquake Training and Claims Litigation Strategy services were developed to meet pressing needs in the insurance market. With increasing litigation and the unpredictable nature of natural disasters, our programs help our clients stay ahead, ensuring they are prepared for any challenge that comes their way."

Commitment to Ongoing Innovation

As Ampion Group looks toward the future, Boyles emphasized that this is just the beginning. "We are not only committed to continuing the development of these two service lines but are already exploring new opportunities to deliver even greater value. Our goal is to continually push the boundaries of what's possible in claims management, ensuring our clients have the resources and support they need to succeed."
