WE'LL GET YOU HOME

“As a part of Planet Home Lending, we are excited to continue the same level of commitment to our customers and the communities we serve,” said Guerrero, whose office was formerly with Axia Home Loans. “We are passionate about helping people achieve homeownership, and we are especially proud of the work we have done within our community which is why we are dedicated to continuing to change lives in a positive way through homeownership.”

Guerrero, who has been in the mortgage industry for nine years and is licensed in Idaho and Nevada, works with many first-time home buyers. With the Fed’s recent rate cut, this segment of borrowers will more than likely grow as they look to take advantage of increased affordability and aid from first-time homebuyer programs.

“Blanca and her experienced team are true assets, and we are thrilled to have them join the Planet family,” said John Bosley, Planet Home Lending President, Mortgage Lending. “Her exceptional leadership, vast experience, and outstanding local reputation for excellent customer experience, makes her a perfect fit here. At Planet, we believe in the transformative power of homeownership and are dedicated to being a part of the positive change in people’s lives.”

Guerrero has been able to help many families through down payment assistance programs offered through Idaho Housing and Finance Association. With Planet's wide array of loan products, Guerrero is poised to help even more families achieve homeownership, driving growth and strengthening Planet's presence in her region.
