An MBA in Your Pocket

The Essential Business Skills CARD DECKS bring the core knowledge of a practical business degree to their fingertips, offering highly relevant lessons that fit into their busy schedule.

Whether they are business leaders or aspiring professionals, these decks cover critical MBA-level topics, from strategy and leadership to marketing, quality, and

This practical, on-demand format allows users to build and refine their skills, wherever they are.

Why Deckible?

- **Mobile-Friendly:** Purchase and download each deck directly via the App Store or Google Play.
- **Offline Access:** Use the app without an internet connection after downloading, so learning can happen anywhere.
- **Daily Habits:** Save cards in a timeline for tracking progress and building daily habits.
- **Journaling:** Add personalised notes to each card for reflection and deeper engagement.
- **Multimedia:** Selected cards come with integrated video content to enhance the learning experience.

Why Card Decks?

Card decks offer a dynamic, engaging, and practical way to learn. By experiencing content firsthand, users are more likely to retain the knowledge. Plus, the non-linear format allows for flexible, self-paced learning, making complex concepts easier to digest and apply.

After downloading the Deckible App, users can access up to three of the Essential Business Skills CARD DECKS for a 3-day Free Trial with full access to all cards. Additionally, each deck purchase provides another Free Trial to explore a different deck, helping them build a personalised learning experience!

“Deckible has helped us revolutionize how business skills are learned by putting this knowledge literally at people’s fingertips. The ability to access our content offline and on-the-go aligns perfectly with the way today’s professionals want to learn.”

Mike Hardcastle, Director of Novalead Limited.
