

Maui Boyz Launches New Cannabis Dispensary, Bringing Island Vibes to Lake Norman

New Destination Offers Premium Cannabis Products Infused with the Spirit of Aloha.

CORNELIUS, NC, UNITED STATES, October 3, 2024 /EINPresswire.com/ -- Maui Boyz has officially opened its doors in Cornelius, offering a curated selection of high-quality cannabis products in a laid-back, welcoming environment.

Following the devastating wildfires that severely impacted Maui's economy, founders James Bowersox and Karma Wentworth recognized the urgent need to pivot and establish their presence on the mainland. The team's deep industry knowledge enables direct collaboration with cultivation partners, ensuring unique and high-quality products while supporting local economies and, in turn, passing the savings on to customers.

Maui Boyz' nostalgic 1960s surf shack aesthetic brings island vibes to town, making it a laid-back and welcoming destination. The store carries hemp-based 2018 Farm Bill-compliant products, featuring exclusive, premium indoor-grown smokable flower (THCa), all sourced and grown by trusted cultivation partners in North Carolina.

In addition to their top-quality flower, they offer a selection of rare and special products. From Afghan and Nepalese hashish concentrates to calming, non-psychoactive sleep aids and delectable infused chocolates crafted by Maui's own Chef Lee, their collection caters to a range of preferences, from therapeutic relief to recreational enjoyment.

Maui Boyz is dedicated to supporting the local community, a commitment deeply ingrained in its lifestyle of putting others first—an essential aspect of island living. "Our focus on community reflects the collaboration that comes from collective living," said James Bowersox, co-founder of Maui Boyz. "As we establish our presence in Cornelius, we're eager to embrace our ethos of

Maui Boyz invites the community to experience its commitment to quality and service.
