TravelingWiki Foundation Follows Up on Presentation at Philadelphia City Hall as New Non Profit Coalition Partner Supporting Pediatric Cancer Research with ABF

PHILADELPHIA, PA, UNITED STATES, October 3, 2024 /EINPresswire.com/ -- [TravelingWiki](https://www.TravelingWiki.com/) Foundation announces the addition of its organization as a non-profit coalition partner supporting Pediatric Cancer research with Forever Captain Poodaman!

The Ahmad Butler Foundation (“ABF”). TravelingWiki Foundation is the largest non-profit online resource globally to document resources for the non-visible disability community at US Airports.

As part of that work, calls are referred to TravelingWiki Foundation from a variety of sources to serve the traveling public with information about free resources that are now offered in 11 languages. TravelingWiki Foundation is also a leader in job match facilitation for the Autism community. Recent engagement in Iowa has included an interview broadcast across Iowa with the local ABC affiliate (<http://alturl.com/5r4jd>).

The collaboration of TravelingWiki Foundation to support Pediatric Cancer research in Pennsylvania expands upon prior work in Pennsylvania, including the recent addition of TravelingWiki Foundation’s free resources in 11 languages to the Philadelphia Autism Project, in cooperation with Drexel University; and presenting at PNC Park with the Pittsburgh Pirates on June 22, 2024 and August 4, 2024 to promote Autism awareness and Special Needs awareness, respectively, via themed baseball games (coordinated via many organizations throughout Pennsylvania) that also raised money for local area charities.

Recently, TravelingWiki Foundation announced three expanded lines offering free phone-based

TravelingWiki Foundation has heard from stakeholders that engage our organization about the importance of work to augment access to travel resources and the need to recognize the realities of the communities served. TravelingWiki Foundation takes the offering of free services to Special Needs community members very seriously. The expanded phone lines are emblematic of the rapid growth of free services offered by TravelingWiki Foundation as well as the engagement from across the world as to our services offered in 11 languages.

The CEO of TravelingWiki Foundation, [Jonathan Sutter](#), notes, "TravelingWiki is deeply committed to both the offering of its services throughout the state of Pennsylvania as it expands services to all 50 States, and via collaboration in Pennsylvania and beyond to support other non-profit organizations.
