

World of Tanks Gamer Crazy Shot Takes Out Unseen Tank

World of Tanks PC gamer scores a crazy blind shot kill after following a forward deployed teammate's shot.

TX, UNITED STATES, October 4, 2024 /EINPresswire.com/ -- Casual PC gamer who goes by CrewRoaster on World of Tanks PC scored an amazing kill-shot. He was setup in support of forward deployed teammates and took a blind shot on tank early in the game. His shot followed the same path of a teammate in front of him shooting at a target outside of CrewRoaster's view.
