All of Matrimoney Clothing’s merchandise is proudly designed in Dallas, Texas, and manufactured in Los Angeles, ensuring top-notch quality. This marks the brand’s second hat collection since its relaunch. Matrimoney Clothing originally launched in 2006 with just eight t-shirts, and after an eight-year hiatus, returned with a renewed

focus on headwear. While the brand currently specializes in hats, there are plans to expand into shirts and outerwear in the future.

"We're thrilled to introduce new materials and shades in this collection, especially as we head into the cooler months. The suede adds a touch of sophistication, while the fall colors such as neutral tones and OG colorways honor our roots," said Will Bolt, founder of Matrimoney Clothing.
