NASHVILLE, TN, UNITED STATES, October 4, 2024 /EINPresswire.com/ -- Whitney's Cookies, the popular gourmet cookie company founded by MasterChef winner Whitney Miller, is excited to announce a new cookie collaboration with Sadie Robertson Huff.

This limited-release cookie box contains four or six of [Sadie's Sourdough Cinnamon Roll Cookies](#). Available for a limited time, a portion of the proceeds from each cookie box will go to support [Camp Ch-Yo-Ca](#).

Whitney's Cookies + Sadie Robertson Huff cookie collaboration

This special collaboration cookie was inspired by the love Sadie and her husband had for going on late-night cinnamon roll runs while in college.

That love for cinnamon rolls sparked a love for making them with her kids that has become a cherished tradition. Sadie challenged Chef Whitney to bring her favorite dessert to life as a cookie and the result did not disappoint.

Whitney layered subtly tangy sourdough cookie dough, with sweet spiced cinnamon and brown sugar cookie dough to capture all the glorious components of a cinnamon roll in each bite of our Sourdough Cinnamon Roll Cookie. Its tender, chewy center and slight crisp edge mimics the satisfying feeling of biting into a cinnamon roll.

The experience isn't complete without a drizzle of a creamy homemade glaze. The Sourdough Cinnamon Roll Cookie offers a nostalgic blend of flavors and textures, combining the comforting familiarity of a cinnamon roll with the unique twist of sourdough and the satisfying bite of a cookie.

"This is such a dream collab," says Sadie. "We get to eat cinnamon roll cookies and give to one of my favorite places - camp! Camp Ch-Yo-Ca is a Christian youth camp that has been in the family for over 50 years and continues to impact kids year after year with the message of Jesus. It shaped who I am in many ways and I am grateful to give back!"

"I've known Sadie and her family for years," says Chef Whitney. "She and her husband love my cookies and I thought it would be fun to collaborate together on a cookie. She challenged me to make a cinnamon roll cookie and add in sourdough because she loves sourdough cookies. I had never added sourdough into a cookie before, so this was quite the challenge, and the result is amazing!"
