With a commitment to quality, proven business strategies, and a strong partnership, Golden Flame Hot Wings is inviting investors and operators to join a successful

business model that promises growth and opportunity. The company has already begun its nationwide franchising efforts, offering a chance for others to be part of this growing industry.

Carlos Cetina's Story

Carlos Cetina, the founder of Golden Flame Hot Wings, started with nothing more than a passion for great food and a vision for a successful business. Over the past two decades, his hard work and dedication have transformed his dream into a reality, with the company now thriving in multiple locations. Cetina's story of determination and success is the foundation of Golden Flame's expansion, inspiring others to follow in his footsteps and build their own thriving franchises.

Partnering with Franchise Expert Johnny Wilson

To ensure a smooth and successful nationwide expansion, Cetina has partnered with Johnny Wilson, a seasoned franchise expert with a proven track record in growing brands. Together, they are dedicated to helping franchisees succeed by providing the tools, guidance, and support necessary to thrive in the competitive wings market.

Why Now is the Time

The wings market continues to grow, with consumers craving old, flavorful options. Golden Flame Hot Wings has positioned itself at the forefront of this trend, offering a product that people love and a business model that works. With the national franchise opportunity now available, investors and operators have the chance to join a brand with a proven concept, strong financial backing, and a dedicated team supporting their success.
