circumstances permitting, [Barracks Legend Foundation](#) will host the inaugural [Barracks Legend Conference](#) in the Tampa Bay area on November 16th from 9 a.m. to 6 p.m. at St. Petersburg College Conference Center.

The Barracks Legend Foundation created the Barracks Legend Conference to address the needs of veterans and their families. Through the Barracks Legend Foundation's events, founders Iraq veteran Angelo Martinez and award-winning podcaster Natalia Earle identified seven key pillars for veterans' well-being: PTSD, Finance, Entrepreneurship, Relationships, Health, Spirituality, and Community. These

pillars signify a dedicated commitment to supporting veterans during their transition to civilian life.

More than just an event, the Barracks Legend Conference is a beacon of hope and a lifeline for veterans seeking understanding, support, and a pathway to a brighter future. It fosters a community united by a shared mission to help veterans reclaim their strength, find purpose, and build a network of support that will uplift them every step of the way.

The community can help empower and transform a Veteran's journey to advocacy, innovation, and collaboration by sponsoring a Veteran's ticket, volunteering, or fundraising. Tickets are sold or sponsored by individuals or businesses for Veterans by Paying a Ticket forward on the [ticket website](#). All active-duty military personnel and their families from all branches can purchase a ticket or request a ticket paid forward. Tickets are available until event capacity is reached.

Local businesses are invited to get involved in various ways, including volunteering, becoming an event sponsor, or providing food drop-and-go catering or beverage partners. There are also business promotional opportunities for branding, such as table sponsorships, online mentions,

day-of advertising, or gratitude comments.
