of [Bloody November](#) by Jared Jason Mendoza. The audiobook, released in May 2024, brings to life the novel's dystopian zombie adventure with Dumont's strong and engaging narration.

About the Performance
Emma Dumont, known for roles in The Gifted, Aquarius, and Oppenheimer, narrates this tense and action-packed zombie apocalypse story. Dumont's work emphasizes the emotional complexity of the story, balancing action and humor with themes of survival, hope, and human connection.

In Bloody November, Dumont's narration amplifies the emotional depth of the characters and the tense atmosphere of the setting. The performance captures the urgency of the plot while maintaining an accessible pace for listeners. Dumont's work enhances the storytelling by differentiating characters and delivering the story with a seamless flow.

Why This Performance Stands Out
The audiobook format allows for immersive storytelling, and Dumont's performance of Bloody November demonstrates the power of narration in enhancing a story. With a background in acting, Dumont delivers a dynamic range of voices and emotions that mirror the intensity of the book's narrative.

Story Overview

Bloody November is set in a world that has been decimated by zombies. The story follows a group of survivors as they navigate trust, betrayal, and hope in their fight to survive. The audiobook merges elements of horror, dark comedy, suspense, and deep personal reflection, making it an engaging listen for fans of both action and character-driven narratives. Dumont's narration brings the characters' struggles and triumphs to life in a way that is both compelling and immersive.
