

# Twin Park by Chih-Wei Yang Wins Bronze in A' Interior Design Awards

*Innovative Taiwanese residential design recognized for its creative use of space, materials, and personalized aesthetic.*

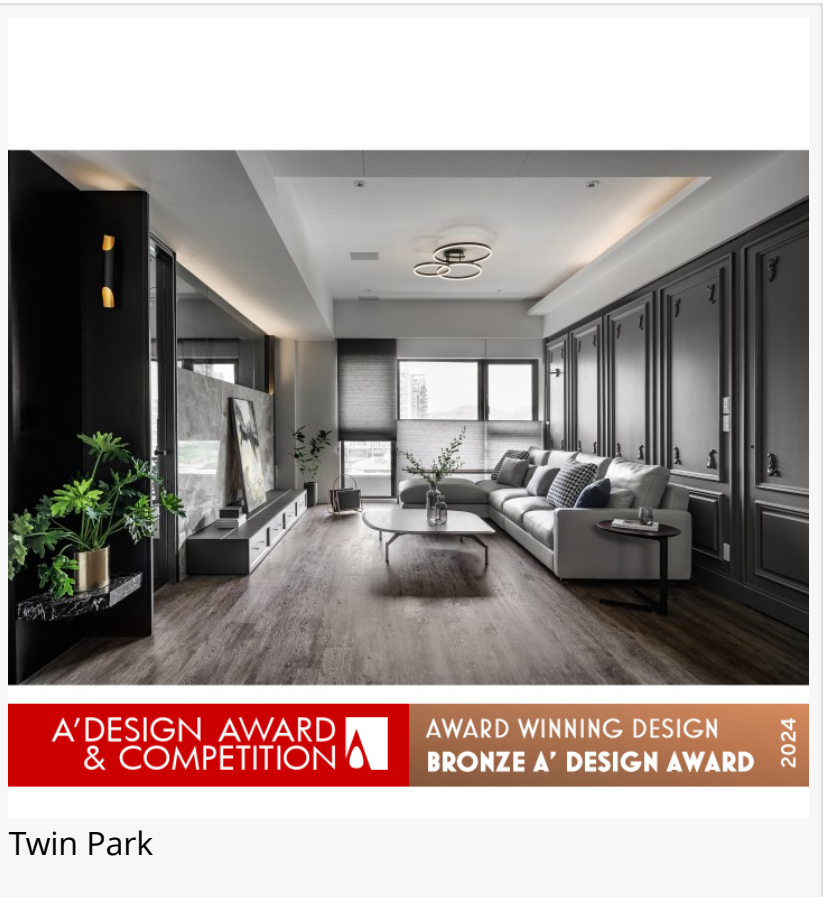

COMO, CO, ITALY, October 6, 2024 /EINPresswire.com/ -- The A' [Design Award](#), a highly respected recognition in the field of [interior](#) design, has announced [Chih-Wei Yang's](#) "Twin Park" as a Bronze winner in the Interior Space and Exhibition Design category. This prestigious award celebrates the exceptional creativity and functionality of Yang's residential design, positioning it as a noteworthy contribution to the interior design industry.

Twin Park's recognition in the A' Interior Space, Retail and Exhibition Design Award highlights its relevance to current trends and needs within the

interior design sector. The design's innovative use of space, personalized aesthetic, and incorporation of modern elements align with industry standards and practices, offering practical benefits for both the clients and the broader design community. This award serves as a testament to the project's potential to inspire and advance interior design practices.

Twin Park stands out for its creative preservation of the apartment's original structure, enhancing interaction and spatial perception through a branch-like circulation layout. The design's thoughtful material selection, combining blue hues with various textures and finishes, adds visual depth and character to the space. Yang's approach to personalizing the design based on the clients' preferences and background, while seamlessly integrating modern elements, showcases the project's unique merits and functionality.

The Bronze A' Design Award recognition for Twin Park serves as motivation for Chih-Wei Yang

and his team to continue pursuing excellence and innovation in their future projects. This achievement highlights the designer's ability to craft spaces that blend functionality, aesthetics, and personal expression, inspiring further exploration and refinement of these principles in the interior design field.
