

Aware Defense Proudly Sponsors the 2024 PrairieFire National SWAT Championship: Supporting and Honoring Elite SWAT Teams

LAS VEGAS, NV, UNITED STATES,
October 8, 2024 /EINPresswire.com/ --
Aware Defense is excited to announce
its sponsorship of the 2024 PrairieFire
National SWAT Championship, which
will occur October 9-12. This premier

event will gather 34 elite SWAT teams from across the nation to compete for the title of the Nation's Best SWAT Team and a prize pool of \$200,000. The 2024 National SWAT Championship will feature a series of tactical challenges that test participants' shooting precision, endurance, and teamwork. Also, 40 two-person civilian teams will have the unique opportunity to compete by shooting six SWAT competition stages with the PrairieFire Leadership Team. As a leader in advanced custom-fit hearing protection and biometric technology for military and law enforcement, Aware Defense is proud to support the operational excellence and innovation showcased in this world-class competition.

"PrairieFire is thrilled to have Aware Defense as a strategic partner for this year's championship," said Adam Black, Director of Business Development of PrairieFire. "Their cutting-edge technology ensures our front-line teams have the best protection, aligning perfectly with our mission to elevate tactical training and performance excellence."

The PrairieFire National SWAT Championship is not only a test of strength and skill but also a celebration of law enforcement excellence. Aware Defense's sponsorship underscores its commitment to advancing tactical performance through technology and support for those who protect and serve.

"At Aware Defense, we are dedicated to supporting the men and women who serve on the front lines, and the PrairieFire National SWAT Championship is an outstanding event that showcases their unparalleled skill, determination, and professionalism," said Sam Kellett, Jr., CEO of Aware. "We're proud to be involved in an event that fosters the growth and performance of these elite teams."
