"We are incredibly excited to have Rob Legato join Filmmaker U," said Jason Banke of Filmmaker U. "His contributions to the film industry are unparalleled, and his course will provide invaluable insights and techniques to our students. This is a unique opportunity to learn from a true visual effects master."

Rob Legato's course is available today and is open to filmmakers and content creators of all levels. Whether you're an aspiring visual effects artist, a seasoned professional, or simply a film enthusiast, this course offers something for everyone.

About Filmmaker U: Before the digital age, mentorship was crucial in the film industry, with places like the cutting room serving as hubs for learning techniques, teamwork, and career growth. Experienced professionals would pass on decades of knowledge to the next generation.

Today, many young filmmakers are thrust into roles without the chance to learn from seasoned experts. Filmmaker U was created to bridge this gap, offering aspiring media artists access to top industry professionals through an online education series that replicates this lost form of apprenticeship.
