About SSM Health Foundation – St. Louis

SSM Health Foundation – St. Louis was founded in 2018 to unify philanthropic efforts and elevate community impact for SSM Health DePaul Hospital – St. Louis; SSM Health Saint Louis University Hospital; SSM Health St. Clare Hospital – Fenton; SSM Health St. Joseph Hospital – Lake Saint Louis; SSM Health St. Joseph Hospital – St. Charles; SSM Health St. Joseph Hospital – Wentzville; and SSM Health St. Mary’s Hospital – St. Louis. The Foundation serves as a cohesive community of supporters, health care professionals, corporate leaders, community donors and volunteers who make an impact on health care in the communities SSM Health serves. Inspired by the Mission of the founding sisters who, in 1872, began their ministry of healing with \$5 and a basket to collect donations, the Foundation strives to serve by seeking financial support for SSM Health hospitals.
