EINPresswire.com/ -- Wintergreen Corporation, an industry leader in wholesale Christmas lights, is thrilled to announce the launch of its latest holiday innovation for 2024: SoftTwinkle® Wreaths and Garland from the Red Sleigh® collection.

Combining Wintergreen's exclusive SoftTwinkle® LED mini lights with Red Sleigh's renowned commercial-grade greenery, this product offers an elegant and subtle twinkle effect that will set any holiday display apart.

SoftTwinkle® Lights on Red Sleigh® Wreaths.
Beautiful!

The SoftTwinkle® LED lights pulse gently and independently, creating a sophisticated glow perfect for both residential and commercial use. Built to last, these wreaths feature heavy-duty galvanized wire that won't rust and durable PVC needles that are both flame-retardant and non-allergenic, ensuring they maintain their lush appearance year after year.

Key Features:

SoftTwinkle® Technology: LEDs twinkle gently and independently for a refined and captivating effect

Commercial-Grade Durability: Galvanized metal wire frame resists rust, while 2-ply PVC needles are UV protected, fade, and crush-resistant

Energy Efficient: LED lights use up to 90% less energy than traditional bulbs

Indoor/Outdoor Versatility: Perfect for any environment, from homes to large commercial spaces

Extended Warranties: 10-year warranty on greenery and 3-year warranty on string lights with seasonal use

SoftTwinkle® Wreaths and Garland bring unmatched beauty and sophistication to any holiday setting, combining the best in design and durability for the 2024 season. For more information or to become a wholesale customer, visit wintergreencorp.com.
