Local building owners and property management companies throughout Huntsville and surrounding areas now have access to a single-source solution for all their facility management needs. "I joined City Wide because I wanted to improve the lives of the customers, contractors, and the team I serve by providing consistent, quality outcomes and creating opportunities for personal and financial growth," said Kyle Naessig, franchise owner of City Wide Huntsville. "With my 28 years of experience in facilities management, I've developed strong client relationships through transparent communication and exceeding service expectations. This aligns perfectly with City Wide's vision to be the first choice for clients, contractors, and vendors."

City Wide Facility Solutions made a name for itself in major U.S. cities and Canada by streamlining facility solutions for more than 20 interior and exterior services for commercial facilities, including janitorial, disinfecting, and handyman services along with parking lot maintenance.
