

Sanford Introduces Unlimited Repair & Replacement Lifetime Warranty

Sanford Temperature Control, an HVAC, plumbing, and electrical company in Manchester, recently launched its Unlimited Repair & Replacement Lifetime Warranty.

MANCHESTER, NH, UNITED STATES, October 7, 2024 /EINPresswire.com/ -- Sanford Temperature Control, the leader in HVAC, plumbing, and electrical services based in Manchester, New Hampshire, is proud to announce the launch of its groundbreaking Unlimited Repair & Replacement Lifetime Warranty. This unparalleled warranty program covers HVAC systems, [water heaters](#), [water treatment systems](#), generators, and boilers, marking Sanford as the only company in New England to offer such comprehensive coverage.

Under the new Lifetime Warranty program, Sanford customers who opt-in will never have to pay for another repair or replacement of their installed system—ever. This offering comes with no catches, no caveats, and absolutely no fine print, setting a new standard in the industry for customer care and service integrity.

Rich Jordan, CEO of Sanford, emphasizes that this warranty not only protects homeowners but also aligns perfectly with the company's mission to maintain systems in the most efficient manner possible. "Our new Lifetime Warranty program is about providing unmatched value and peace of mind to our customers," says Jordan. "We're proud to be pioneers in offering such a robust protection plan, which guarantees that we stand behind our installations for the life of the system. There's truly no catch; our goal is to ensure optimal system performance and homeowner satisfaction without any hidden conditions."

The Lifetime Warranty is designed to encourage proper maintenance and care of essential home systems, thereby extending their lifespan and ensuring they operate at peak efficiency. This

initiative reflects Sanford's commitment to quality and its confidence in the expertise of its technicians.

Homeowners interested in the Lifetime Warranty can contact Sanford Temperature Control to learn more about the program and its benefits. This warranty not only exemplifies Sanford's dedication to quality but also its ongoing commitment to 'Giving the Trades a Good Home' by ensuring the best possible service and outcomes for both the company and its customers.
