**What Critics & Audiences Are Saying:** Critics are praising *THIS IS YOUR SONG* for not only its technical achievement but also its profound narrative impact. On Rotten Tomatoes Critics called it, "A bold cinematic experiment that succeeds on every level. A true game-changer for modern filmmaking." The film was also hailed as, "An emotional rollercoaster and technical marvel that will be remembered for years to come."

Audiences have been equally enamored, with a 4.9-star rating on Amazon Prime Video and glowing reviews across Tubi. One Amazon reviewer commented, "A mesmerizing, one-of-a-kind film that pushes the boundaries of what's possible in cinema. Every second is captivating." Another Tubi viewer wrote, "The continuous shot keeps you glued to the screen. The emotional journey is unmatched." Fans have also noted the film's rewatchability, discovering new details and nuances with each viewing.

**Global Expansion & Future Releases:** Following its U.S. success, *THIS IS YOUR SONG*'s distributor Indie Rights Movies has officially released the film on Prime Video and other platforms in the UK and Canada, where it has quickly garnered the attention of new international audiences. The film is also expected to expand to additional territories in the coming months, with global film lovers eagerly awaiting its arrival.

The film's director, Hassan Said, shared his excitement about the growing fanbase: "We always believed this story would resonate worldwide, but the incredible response and conversations it has sparked online have blown us away. We're thrilled to see how the film is inspiring not only audiences but also filmmakers and critics."

With a strong online presence and an ever-expanding audience, *THIS IS YOUR SONG* is positioning itself as a landmark achievement in modern cinema. Its growing momentum on streaming platforms continues to fuel its international rollout, making it one of the most talked-about films of the year.

**Where to Watch:** *THIS IS YOUR SONG* is now streaming on Amazon Prime Video, Youtube, Google

Play, and Tubi in select regions, with additional global releases to be announced soon.

About the Film:

THIS IS YOUR SONG is a groundbreaking cinematic achievement, celebrated for its daring use of a 97-minute continuous shot and its powerful emotional storytelling.
