LEICESTER, LEICESTERSHIRE, UNITED KINGDOM, October 8, 2024 /EINPresswire.com/ -- Introducing NATZEL, a loud and punchy band looking to bring a new feel and flavour to the the indie rock scene and make a statement in the landscape with huge anthemic sounds and stadium level performance.

After years of life experience, NATZEL stands proud to have finally recorded an album that truly reflects his journey, struggles, and triumphs. This achievement is a testament to perseverance and the belief that it's never too late to follow your dreams. NATZELs music is loud, punchy and exciting—each note and lyric a piece of his story.

"Let It Go" is our first release and is a bold, punchy, indie pop rock song you can just let go to while enjoying the energy of the chorus.

The song was inspired by an argument with a work colleague who was always holding onto previous situations and becoming an enemy even though we were on the same team. This was the inspiration for the direction of the lyrics. Sometimes we just have to "let it go" and move on.
