

# Super Brush LLC to Showcase Advanced Foam Swabs at Medical Design & Manufacturing Minneapolis, October 16-17, 2024

*Super Brush LLC is excited to announce its participation in the Medical Design & Manufacturing (MD&M) Minneapolis event.*

SPRINGFIELD , MA, UNITED STATES, October 11, 2024 /EINPresswire.com/ -- Super Brush LLC is excited to announce its participation in the Medical Design & Manufacturing (MD&M) Minneapolis event, taking place from October 16-17, 2024, at the Minneapolis Convention Center. The company will be exhibiting at booth #3911, showcasing its innovative, lint-free foam swabs designed for a variety of applications across multiple industries.

As the Midwest's largest MedTech event, MD&M Minneapolis expects over 5,000 advanced manufacturing professionals to attend, eager to explore the latest technologies in biocompatible materials, components, assembly, and contract manufacturing. Super Brush's foam swabs are recognized for providing critical solutions in these fields.

"Super Brush specializes in the design, development, and manufacturing of foam swabs and applicators," said Diane Henry, Director of Sales. "We offer a range of sizes, styles, and shapes tailored to meet any specific kit, package, or application requirements. Our swabs are
