*A New Graphic Novel Weaving Celtic Myth and Historical Reality*

ST. JOHN'S, NL, CANADA, October 9, 2024

/EINPresswire.com/ -- [Black Panel Press](https://blackpanelpress.com/) is pleased to announce the release of *King Arthur & The Ladies of The Lake*, the latest graphic novel from acclaimed artist Vincent Pompetti, on November 22nd, 2024. The book presents a fresh take on the enduring Arthurian legend, blending Celtic myth and history into a richly illustrated narrative. Known for his use of colored inks, Pompetti brings a distinctive style to this retelling of the Arthurian legend.

In *King Arthur & The Ladies of The Lake*, Pompetti explores themes of balance, nature, and the relationships between men and women, drawing deeply from original Celtic mythology. The story centers on Arthur as he navigates the birth of his new kingdom and the arrival of Christianity to Britain, guided by the women who hold the key to his fate.

Through these archetypal figures, Pompetti highlights the cyclical interplay between masculine and feminine forces, reflecting on the deeper harmony sought in both myth and history.

The book will be available in hardcover and digital formats through major retailers, including Amazon, Barnes & Noble, and independent bookstores.
