

SeaNXT Elite: The Luxury Underwater Scooter Making Waves in the Florida Keys and at the Fort Lauderdale Boat Show

SeaNXT Elite, a 50 lb luxury underwater scooter, debuts at the Fort Lauderdale Boat Show, Booth 156. Visit to explore its sleek design and performance.

FORT LAUDERDALE, FL, UNITED STATES, October 8, 2024 /EINPresswire.com/ -- The [SeaNXT Elite](#), a revolutionary underwater scooter weighing just 50 lbs, is making waves in the marine community. Recently featured on the popular YouTube channel Jiggin With Jordan, the SeaNXT Elite captivated audiences with its sleek, carbon fiber design, reminiscent of a race car or a whale shark. With only +6 lbs of buoyancy, the scooter provides just enough lift to make diving down effortless and fun, enhancing the underwater experience.

For the first time, the SeaNXT Elite will be showcased at the Fort Lauderdale International Boat Show, running from October 30th to November 3rd.

Attendees can visit [Booth 156](#) at Bahia Mar to experience this cutting-edge product firsthand.

Alongside the SeaNXT Elite, [BLU3](#), the exclusive distributor of SeaNXT for North America, South America, and the Caribbean, will also display their battery-powered dive systems. Additionally, Insta360 will join the booth to showcase their latest camera technologies.

Insta360 cameras, known for their 360-degree capture capabilities, are perfect for the boating community. Whether capturing fishing moments or enjoying a fun day on the water, users don't

need to worry about framing shots. For divers, Insta360's underwater housing enhances underwater filming, making it an exciting and user-friendly option. These cameras pair seamlessly with both the SeaNXT Elite and BLU3 systems, offering an ideal combination for documenting adventures above and below the waterline.

Manufactured in France, the SeaNXT Elite is designed to bring luxury and performance to boat owners and divers alike. Its lightweight, compact build makes it easy to transport and store on center consoles or yachts, while its performance underwater is unrivaled.
