Growth Driver Of The Street Vendors Market

The booming tourism industry is likely to support the growth of the street vendors market going forward. The tourism industry includes all activities, services, and businesses that cater to travelers and tourists. The growth in this sector is fueled by the promotion and availability of travel and leisure activities, people's desire to discover new places, experience diverse cultures, and engage in recreational activities. Tourism can help street vendors gain visibility through travel guides, social media, and word-of-mouth recommendations, which can lead to a broader customer base and enhanced business opportunities.
