With decades of experience and numerous successful ventures, Kevin Harrington continues to inspire and guide entrepreneurs worldwide through his books, speaking engagements, and mentorship programs.

About Rafik Moore:

Born in Samarkand, Uzbekistan, Rafik immigrated to the USA in 1998 with a dream. Despite initially facing many challenges, he successfully gained a BS in finance from the University of Michigan, while supporting himself and working full time to cover his living expenses and the tuition fees.

It was certainly worthwhile as he now runs Brait Capital, a real estate investment company and owns and manages over \$250m of RE assets across eight states. The company is a vertically integrated management, leasing and construction company and currently developing a platform to solve America's big box retail problem in regional malls. His intention in the next 10 years is to make the company public and turn it into a REIT.
