

New Book Offers Women a Roadmap to Inner Peace and Outer Success

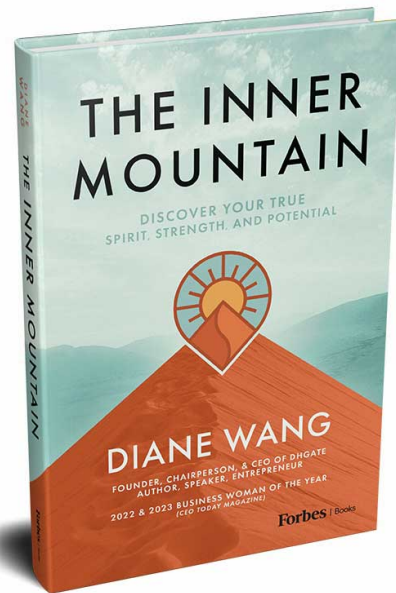

"The Inner Mountain: Discover Your True Spirit, Strength, and Potential" by Diane Wang is released with Forbes Books.

NEW YORK, NY, UNITED STATES, October 15, 2024 /EINPresswire.com/ -- The Inner Mountain: Discover Your True Spirit, Strength, and Potential by Diane Wang is published with Forbes Books, the exclusive business book publishing imprint of Forbes. The new book is available today [at Amazon](#), [Barnes & Noble](#), and [Target](#).

In The Inner Mountain, Diane Wang shares her journey from successful entrepreneurship in China to founding DHgate, a leading cross-border e-commerce platform. However, Wang takes readers beyond professional accolades on a personal exploration of what it means to achieve true success. Wang's book shows readers how to turn inward and connect with their inner strength and purpose—their "inner mountain."

Wang's insightful guide offers practical advice and exercises designed to help readers discover their inner mountain. Wang draws on her extensive experience, including her roles at Microsoft, Cisco, and the founding of Joyo.com and DHGATE Group, to illustrate how inner peace can lead to lasting external success.

"This book is the encouragement I wish I could share with more people personally. It's the confirmation of the thoughts you might already be having about a need for something more in your life," Wang said. "My goal is to help you experience an inner journey that will lead you to see that the world is not only what you have previously seen and that there is so much more to discover."

About the Author

Diane Wang is the founder, chairperson, and CEO of DHgate, a leading cross-border e-commerce platform in China. She has a rich background in technology and entrepreneurship, having previously founded Joyo.com, which was acquired by Amazon and became Amazon China. Wang is a recognized leader in the global business community, with numerous accolades including being named Business Woman of the Year by CEO Today Magazine in 2022 and 2023. She is also the founder of the Inner Mountain Foundation, dedicated to empowering women through education and self-discovery.

About The Inner Mountain Foundation

The Inner Mountain Foundation, founded in 2023, advocates for focusing on individuals and encouraging them to break through their limiting beliefs, fostering continuous personal growth. This, in turn, influences and inspires those around them, creating a ripple effect that extends from individuals to families, teams, and organizations, ultimately driving a social transformation.

Inner Mountain is committed to inner exploration, community building, and international outreach to find a sustainable path forward for our fragile yet beautiful world. The Inner Mountain Community embodies the co-creative spirit of Inner Mountain. It is an international community dedicated to encouraging people to explore within themselves while inspiring, nurturing, and growing together.
